May 7<sup>th</sup> 2020

Dear Parents and Carers,

**VE Day** We celebrated here today as **school is shut tomorrow**.

We had a lovely afternoon here playing hopscotch, skipping, playing marbles and trying quoits and skittles in the sunshine. Then we enjoyed a 'Street party' (well actually it was some tables in the Reception garden area!) with a tea of jam tarts, decorated biscuits, cheese straws, jelly, ice cream and squash. We stood for the National Anthem and waved Union Jacks and wore our own stylised hats. Mrs Davis set us all off beautifully singing 'We'll meet again' and the children enjoyed the Okey Cokey, and did the Conga as they went back to their classrooms (all socially distanced of course). Mrs Gaskin masterminded the display the children did on the railings, and we were so pleased to see those of you who came by on a walk to see the display. We do miss you!

We hope you will have as much fun as us celebrating the 75<sup>th</sup> anniversary of VE Day tomorrow. There is due to be another fly past starting from Bletchley Park so maybe you will catch that too if you look to the skies.

## **Reopening of schools**

**We will know the Government's plan for schools on Sunday. What we know for certain at the moment is that schools across the country will NOT all reopen on Monday.** As soon as we can inform you about what the announcement means for St George's, and for your family, we will send information out. Please do not expect any more information until Monday night at the earliest.

**Books** Thanks to those who have come in to collect work books. It has been good to catch up and hear your news. Please just call school if you need any exercise books over the next week or two (**01525 872360**).

**Zoom Calls** Another reminder in case you missed it yesterday.

If you haven't tried **Zoom class chats** yet, then do try to let your child/children join their class Zoom call if you are able to. **The children are all so keen to see all their friends.** If you aren't sure how to do this don't worry-just give us a ring at school and we can talk you through it the day before your classes call time.
