May 13<sup>th</sup> 2020

Dear Parents and Carers,

## **Our very best writing! A message for your child/children.**

I am really looking forward to reading the amazing writing that I know you have been busy working on this week. I have already heard and seen some super writing some of your friends have written. It will be great to celebrate that with you. Keep going if you haven't quite finished, as I know you will be pleased with what you achieve.

## **Re-opening survey**

Parkfields Middle school have sent out a survey today about children returning to school, and we will be sending **our survey out to you regarding N, R and 1 children on Friday**. The other lower schools we work with in the area will also send a survey then.

I will be sharing the plan for our **'teaching bubbles'** with you on Friday too, so you will know how we propose to teach children and keep them as safe as possible, if you do decide that your child is to return school after June 1<sup>st</sup>.

Sadly, the spaces we will be using won't look as exciting as this photo does! However, the principle of having a safe, designated teaching spaces for groups of up to 15 children will be similar.

Have a good evening and stay safe,

Jane Spencer

Head teacher
