Dear Parents and Carers,

Re: Possible reopening of schools to some pupils in June

You will no doubt have heard the Prime Minister's announcement yesterday that schools **may** reopen on 1 June to **Reception and Year 1 children**, if the government thinks it's safe to do so.

Whilst I would want to give you specific details of this proposal I am waiting for further guidance and clarification from the government. When this is delivered we will create an action plan for a phased reopening for Reception and Year 1 children if it is decided it is safe to proceed at the time. I will, of course, share this with you as soon as possible so you know what the school's reopening would look like in practice. Please rest assured that we're going to be doing everything we can to make sure the school is ready, if it is considered safe for our school to reopen at that time.

Please be aware that **no Parent or Carer will be pressured into sending their children to school** as everyone's circumstances and attitudes to this proposed reopening are different. I will keep you updated so you can make an informed decision as plans are confirmed.

In the meantime, the school is still open **only** for vulnerable pupils and the children of critical workers. We know **some other employers** will be encouraging you to return to work, but **we're not in a position right now to extend places to other children** until we receive further government guidance.

Can I thank you again for your continuous support in helping your child learn from home and encourage you to keep going with this.

Do continue to do what you can, stay safe and well, and stay in touch with us if you need further advice or help,

Warm regards,

Jane Spencer
