

This week's plan for Swans /Kingfishers
Date Week beginning 4th May 2020 Theme: Rocks & Soils
 (Fri 8th May Bank Holiday Friday: VE Day)

EYFS	Activity	Location	Save or send in?	Done Yes /No
Zoom Swans	<p>Mrs. Bartlett and Mrs. Dudley are inviting you to a scheduled Zoom meeting.</p> <p>Topic: Swans Zoom Meeting Time: This is a recurring meeting Wednesday 10:15</p> <p>Join Zoom Meeting https://zoom.us/j/9098624692?pwd=WDZnOEEdZSmN6MlhXQktwMWNpbVpqUT09</p> <p>Meeting ID: 909 862 4692 Password: 1ZnFub</p>			
Zoom Kingfishers	<p>Miss Almond is inviting you to a scheduled Zoom meeting.</p> <p>Topic: Kingfishers Zoom Meeting Time: This is a recurring meeting Wednesday 14:00</p> <p>Meeting ID:975 1819 5198 Password:6VZGqv</p>			
Maths: Number Shape and space	<p>This week's focus is: Shape and Data Handling. Here are some ideas for learning at home.</p> <p><u>Online</u> Counting / Data handling Activity: Access via Purple Mash log in link: 2Dos: 2Count or homepage Mathematics - 2 count Cars activity, count the number of cars you can see to build up your graph.</p> <p>Twinkl: Children can practise recognising 2D shapes with this fantastic interactive Gem Hunter 2D Shapes Game. https://www.twinkl.co.uk/resource/gem-hunter-2d-shapes-game-tg-ga-206</p> <p>Topmarks: Shape matching game https://www.topmarks.co.uk/early-years/shape-monsters</p>	<p>Purple Mash</p> <p>Twinkl</p> <p>Topmarks website</p>	<p>Save if able</p> <p>Just for enjoyment and skill practise</p>	

	<p>YouTube: Shape songs (please excuse Americanism) https://www.youtube.com/watch?v=beTDz9HSNO https://www.youtube.com/watch?v=OEBRDtCAFd https://www.youtube.com/watch?v=quNdJ5MtX1A</p> <p>Printable Complete the 2D I spy and add sheet.</p> <p>EYFS School Closure Maths Activity Pack - 2D Shapes : a pack with ideas you may like to use if able</p> <p>Practical EYFS Maths Mastery Counting Home Learning Challenge: Sticks and Stones (links to this week's theme)</p> <p>Look for examples of 2D and 3D shapes around the house, take photos! Which are the most frequently found shapes, you could make a graph to show how many of each shape you found!</p> <p>Junk modelling: use boxes and other treasures from your recycling to make a model with. Can you describe which 3D shapes you have used?</p> <p>Shape picture: can you make a picture out of 2D shapes? Can you explain what shapes you have used?</p>	<p>YouTube</p> <p>Emailed out</p> <p>Emailed out</p>	<p>Email in if able</p> <p>Email in a photos</p>	
<p>Tricky and Key Words</p>	<p>Please keep up the fantastic work learning the tricky and key words. The next sets are available for you.</p>	<p>Emailed out</p>		
<p>CLL and Literacy</p>	<p>Phonics: Recap letter sounds 'ear' and 'air' (avoid doing more than one sound a day)</p> <p>Online Phonics: Recap letter sounds 'ear' and 'air' using following links: 'ear' with Geraldine Giraffe https://www.youtube.com/watch?v=EneZ1UubxSA 'air' with Geraldine Giraffe https://www.youtube.com/watch?v=NcHIX2xK--A 'ear' and 'air' with Alphablocks https://www.youtube.com/watch?v=7TmXMkRASjY</p>	<p>You Tube: online</p>		

<p>https://www.youtube.com/watch?v=CNOvbqpCThI</p> <p>Access Phonics Play for free to support the following activities. https://new.phonicsplay.co.uk/ Username: march20 Password: home Once online click on resources tab then phase 3 to find: Flashcards: Speed Trials - Phase 2 and 3 Dragon's Den - Phase 3 - ear and air (work on each letter sound separately) Sentences - week 8 Monday: ear/Tuesday: air (work on each letter sound separately, it doesn't have to be on these days) They may also like to have a go at Space Race or Rocket Rescue to practise using their phonics (select Phase 2 or 3 dependent on their confidence) Tricky Trucks is a fun way to practise key and tricky words.</p> <p>Phonics Purple Mash link :(2Dos set) abc, English, Phonics, Phase 2, cloze. ck ending e.</p> <p>Purple Mash link: Mini mash, reading and writing alphabet 4-piece jigsaw, complete puzzles n, v & w. (Do this before handwriting to help get ideas of objects beginning with the set letter.)</p> <p>Purple Mash link: Mini mash, reading and writing alphabet pairs 4/8 cards, complete pairs with letters x, z. (Do this before handwriting to help get ideas of objects beginning with the set letter.)</p> <p>Printable (If unable to print view on screen and then model for your child in their exercise book or on paper)</p> <p>Circle that word activity: ear/air Sounds matching activity: ear/air Can you write a sentence using each word?</p> <p>Keywords to read - from, children, just Keywords to write - he, she (Try to use the key words in a sentence.)</p> <p>Handwriting x, z, 1 Remember to write a list of words containing letters practised.</p>	<p>Phonics Play: online</p> <p>Purple Mash</p> <p>Emailed out</p>	<p>Email photos or feedback how they got on in an email.</p> <p>Save/email in, if allows.</p> <p>Email in if able</p>	
--	---	---	--

	<p>Practical Children to write a weekly or daily piece of news in their exercise book: you could use it like a diary! Encourage them to build up their quantity and level of independence each time.</p> <p>Remember: you can access reading material at Oxford Owls and now on Purple Mash: online library: Serial Mash.</p>		Email in if able	
Technology	<p>Share a new app/game/learning tool you have enjoyed using: Tell us: What is it called? Where did you find it? How do you use it? Why do you like it? Why would you recommend it to others? We will then share your ideas in future learning packs for your friends to enjoy.</p>	Online	Email in	
Thematic	<p>Online Fun songs: YouTube song Mr Tumble Songs There's a Worm at the Bottom of the Garden https://www.youtube.com/watch?v=AqchPrhezXQ YouTube song The Ants Go Marching Kids Songs Super Simple Songs https://www.youtube.com/watch?v=2S_fbCGwOM</p> <p>Learn more about rocks and soils: YouTube song 3D Rocks and Soil song https://www.youtube.com/watch?v=qgQ3N-N5b7k YouTube video What's the Dirt on ... Dirt? https://www.youtube.com/watch?v=if29mJcd5bc Dr Binocs: Layers of soil https://www.youtube.com/watch?v=bgqea0E2eAY Dr Binocs: Types of Rocks https://www.youtube.com/watch?v=CeuYx-AbZdo</p> <p>We have been introduced to a new online resource called: Oak National Academy teaching (Gov link)</p> <p>We have selected the following link for you to try to help you if you are struggling being away from school (bored!)</p>	YouTube		
		Online: Oak National Academy		

<p>Active</p>	<p>daily walks, bike rides and garden play.</p> <p><u>Online ideas</u></p> <p>You Tube:</p> <p>Joe Wicks: The Body Coach</p> <p>Jump Start Jonny</p> <p>GoNoodle</p> <p>Cosmic Kids Yoga</p> <p>BBC Supermovers</p> <p>Youth Sports Trust - website</p> <p>PE Hub home portal</p> <p>https://www.teambedsandluton.co.uk/getting-active-at-home</p> <p>It would be lovely to see photos or videos of you being active!</p>		<p>photo</p>	
----------------------	---	--	--------------	--

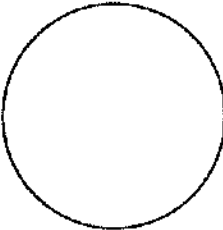

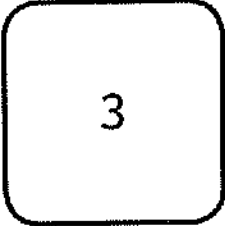

Support for families home schooling

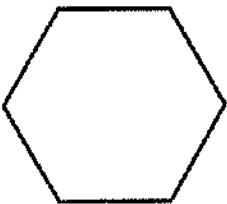

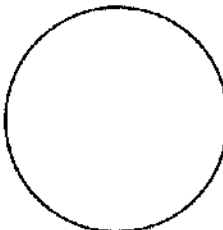

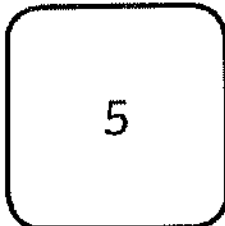

- **9am**- P.E with Joe Wicks, week days at 9am but you can visit any time on YouTube to view the workouts. <https://www.youtube.com/user/thebodycoach1>
- **9:30am**- Wildlife with Steve Backshall. Every day at 9.30am on Facebook [Steve Backshall](#) for answering all your wildlife biology, conservation, geography and exploration questions
- **11am**- Science with Maddie Moate Weekdays at 11am on YouTube. Maddie & Greg chat about science and nature. <https://www.youtube.com/maddiemoate>
- **11am**- Storytime with David Walliams Free story everyday at 11am on his website – www.worldofdavidwalliams.com
- **11:30am**- Dance with Oti Mabuse. Everyday at 11.30am on YouTube, but children can view the class at any time. <https://www.youtube.com/user/mosetsanagape>
- **12pm** – Lunch (cooking) with Jamie Oliver. You may have seen Jamie's Keep Cooking and Carry On show on Channel 4, which shows you how to keep cooking through quarantine conditions, using what you already have in your cupboards. While those recipes are a bit advanced for little people, he has a whole section on his website just to get kids cooking, so they can rustle up their own lunch. <https://www.jamieoliver.com/features/easy-recipes-for-kids/>
- **2pm** – History with Dan Snow. You can sign up to History Hit TV for free for 30 days. The streaming service has loads of history documentaries on it about everything from Jack the Ripper to the Battle of Hastings in 1066. There's also a free podcast. <https://www.historyhit.com/podcasts/dan-snows-history-hit/>
- Math's with Carol Vorderman Free access to the math's website – www.themathsfactor.com
- Music with Myleene Klass Twice a week on Myleen's Music Klass YouTube. <https://www.youtube.com/channel/UCQh2wgJ5tOrixYBn6jFXsXQ>

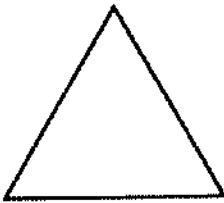

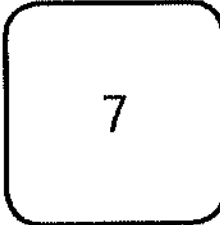

- Royal Mint interactive 'Kids Hub' The free resource is available on The Royal Mint's website and provides a host of quizzes, games and educational tools – brought to life through iconic coins, and popular children's characters such as The Gruffalo and Wallace & Gromit.
<https://www.royalmint.com/kids/>
- Free taster pack with Twinkl Free resources has been created especially for parents of children aged 5 – 7. Including a SATs survival pack, activities, phonics, mindfulness colouring, information & more!. This pack can help you to support your child at home & shows you what Twinkl has to offer. <https://www.twinkl.co.uk/resources/new-primary-topic-resources/free-taster-packs-twinkl-recommends-key-stage-1>
- National Literacy Trust- Our early years resources will help schools, settings and parents support children's development from birth to age 5. https://literacytrust.org.uk/free-resources/?gclid=EAIaIQobChMIgZTsrlO76AIVRLDtCh3oWQrgEAAYAiAAEgIS7_D_BwE
- Phonics Play- Free, unlimited access to selected games and teaching ideas across several phases - play these as many times as you like! <https://new.phonicsplay.co.uk/>

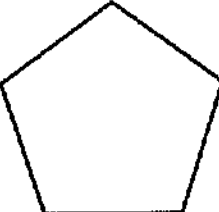

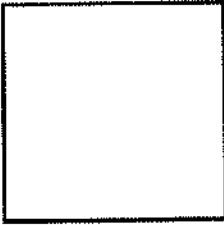

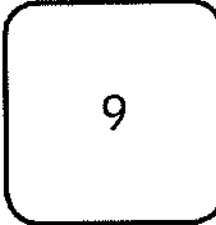

2D I Spy and Add to 10 Answers

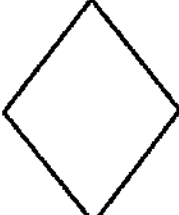

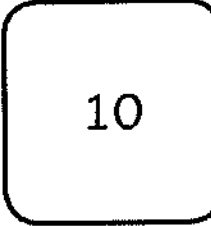

Count the number of each type of 2D shape needed in the addition number sentence. Write the numbers in the boxes to create and then solve an addition number sentence.

 $2 +$  $1 =$ 

 $4 +$  $1 =$ 

 $5 +$  $2 =$ 

 $6 +$  $3 =$ 

 $8 +$  $2 =$ 

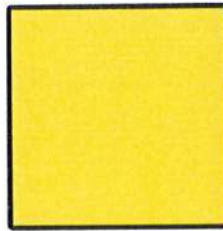

2D Shapes I Spy and Add to 10

Count the number of each type of 2D shape needed in the addition number sentence. Write the numbers in the boxes to create and then solve an addition number sentence.

 $\square +$  $\square = \square$

 $\square +$  $\square = \square$

 $\square +$  $\square = \square$

 $\square +$  $\square = \square$

 $\square +$  $\square = \square$

2D Shapes

I Spy and Add to 10

2D Shapes

Colouring Shapes	<p>Help your child to colour in these 2D shape pictures. As you colour, talk about the different shapes that are used and why. Discuss the sides and vertices (corners) of the shapes. For example, encourage your child to talk about why wheels have one curved side and no corners, or to consider the shapes used to represent sharp teeth and why.</p>
2D Shape Playdough Mats	<p>Have fun finishing the pictures on the mats by making different shapes from playdough. Encourage your child to talk about the properties of the shapes they are making. Do they have any vertices (corners)? Are their sides straight or curved? How many sides do they have? Would any other shape do the job as well or better? You could also look for similarities and differences between the shapes together.</p>
Lolly Stick 2D Shape Cards	<p>Make the different shapes on the cards using lolly sticks, twigs from the garden or any other straight objects you may have in the house. You could even cut strips of paper or card. Start to talk to your child about the names of the different shapes, how many sides they have and how many vertices (corners). Offer challenges, such as asking your child how many sticks they will need to make a triangle or inviting them to think about whether all their sticks need to be the same length. Ask them whether they could make a circle from lolly sticks or not. Why? What could they use instead?</p>
2D Shapes What Can You See? PowerPoint	<p>Go on a shape hunt around your house and garden. Look for examples of different shapes in the environment and talk to your child about the names of the shapes they can see. You could make a simple tally chart by drawing basic shapes on a sheet and letting your child make a mark against a shape every time they see it. Talk about which shapes they saw the most and least. Then, look at this lovely PowerPoint which contains beautiful photos showing different shapes in the world around us.</p>
Pizza 2D Shape Matching Activity	<p>Let your child practise their scissor skills by cutting out the different toppings. Then, encourage them to put the correct topping on each pizza according to the shape. As they sort the shapes, talk about why they are choosing each topping and the properties and names of the different shapes. Can your child find any real foods at home that have the shapes they are learning about?</p>

Build a Pizza 2D Shape Activity

Can you match the correct shape ingredients to the pizza base?

Use your playdough to make a circular yolk for this fried egg.

Use your playdough to make a triangular party hat for the girl.

Use your playdough to make the house windows.

Use your playdough to make some wheels for the bus.

Use your playdough to make a triangular steeple on the church.

Use your playdough to add on another rectangular brick.

Use your playdough to make a kite.

Use your playdough to make some more stars for the sky.

Use your playdough to make a heart balloon.

Union Jack Pinwheel

Union Jack Pinwheel

You will need:

- Pinwheel template
- Scissors
- Colouring pens or pencils
- Drawing pin
- Wooden dowel (approximately 30cm long)
- Sticky tack

What to do:

- Cut out the pinwheel template along the dotted lines.
- Fold the small circles at the ends of the sails in to meet the small circle at the centre of the pinwheel.
- Carefully push the drawing pin through all the small circles at the centre.
- Place the dowel behind the pinwheel and push the drawing pin into the dowel to secure the pinwheel to its handle. Don't push the drawing pin in too tightly, or the pinwheel won't spin.
- Check the back of the dowel to ensure the sharp end of the drawing pin is not sticking out. Place some sticky tack over it if it is.

Now test your pinwheel outside on a windy day!

THANKS FOR NOT PRINTING THIS PAGE!

Simply print from page 2 in your printing options, to avoid wasted paper and ink.

To find out more visit www.twinkl.co.uk/eco

Thanks for downloading and welcome to the twinkl family!

If you love our resources, you'll love premium!

- Save valuable time- we know how precious time can be, so we've spent thousands of hours creating lovely resources, leaving you to focus on what's most important.
- All the tools and materials you will need to create an amazing learning environment for your little stars!
- The largest collection of premium resources on the web at less than 1p per resource!
- Find out more about Twinkl premium at www.twinkl.co.uk/premium

How to change the print size of this resource

- In your PDF reader, click the 'File' menu
- Select 'Print'
- Click the box next to 'Print Scaling' and select 'Multiple Pages Per Sheet'
- You will now have various options, which will enable you to print several pages on just one sheet of paper.

Maths Mastery Home Learning Challenge

Adult Guidance

What Are We Learning?

We are learning how to count up to three or four objects by saying one number name for each item.

How to Set up the Challenge

- Go for a nature walk or play in the garden.
- Collect four small sticks.
- Collect one small round stone.
- Collect one larger round stone.

How to Get Your Child Thinking

- How many stones did you use? Can you explain to me how you counted them?
- I think you used five sticks, do you agree? Why not?
- How many sticks and stones could we use to make a different picture or shape? Let's investigate together!

Sticks and Stones

- Can you help to make a person using sticks and stones?
- Can you count out two sticks to make the legs?
- How many sticks will you need to count out for the arms?
- Can you count out one large stone for the body?
- How many stones will you need to count out for the head?
