Dear Parents and Carers,

MIDI TSG Back in Business!

Well done to all of you at home who have already 'kicked back into gear' and got busy with your home learning since Monday. The teachers have worked hard over half term to have the packs ready for you and are really looking forward to seeing the work your child achieves. We know it is hard to get back into the swing of things (especially after such a sunny half term) but we hope that you will be enjoying the new activities planned.

As you know Mrs Wood, Mr Harrowing, Mrs Soor, Mrs Kew, Mrs Dudley and Mrs Stringer are busy leading on the packs for us this term whilst other staff are teaching in school so you might have a slightly longer response time for queries/questions, but please remember your 'usual' teacher will still be very interested in your work and checking with that teacher and also responding to queries as soon as they can. Mrs Dudley will be in to teach too, so you will still see her if you are in school. They will share 'Read-a-thon' information with you next week.

Zooms are going ahead at the times we gave out too, and that is a good way for your child to stay in touch with their friends and their teachers. Call us if you can't remember the time or how to do it –we won't mind! The children do enjoy the Zoom times.

Paper packs have gone out today-again call if you need to pick up one or were not sure when you could come in. Be good to talk to you.

Teaching Bubbles It was super to welcome our teaching bubble children today. The children adapted so well to; new classrooms for some, new places for lunch and to play for some and that some of their friends were here and some weren'tand all the hard work we had in store for them! Well done to everyone involved –Parents and Carers saying goodbye at the gate, all the staff here who have worked so hard to get us ready for today, but most of all well done to the children for taking today in their stride.

Also for you to consider There are two items attached: one is about **new books and reading opportunities from the Central Bedfordshire** Library service, and the other details two workshops for anyone keen wanting more help on supporting their **child's emotional well-being** at this time

Keeping in touch: This term **I will write on Monday, Wednesday and Friday** each week to give you information and updates, but you can always ring school at any time.

I won't trouble you every night so you don't get too fed up of my letters!

Have a good evening, Jane Spencer Head teacher
