

Residents encouraged to get cycling and win £500 towards a new bike

It's great to see more people having a renewed interest in getting out on their bike during the lockdown. Riding a bike gives you the chance to not only exercise and get some fresh air, but to discover new places in your local area. If you haven't been out on your bike yet, there is now even more on offer to encourage you to.

We are working alongside Love to Ride this Bike Month to get more people to choose cycling as part of their daily travel and exercise and encourage others to try it too.

To be in with a chance to win £500 towards a new bike sign up to the [Love to Ride free event](#). It doesn't matter if you ride every day or haven't been on a bike in years, you just have to set yourself a goal and achieve it – it's that simple.

And, if you win, Love to Ride will also give £500 to either the Bikes for Key Workers or the Community Support initiatives so you could be giving back to others at the same time as winning yourself.
