Lighting a spark in every child"

October 19 2020

Dear Parents/Carers,

Uniform for the winter months

As the winter is getting colder and the children may want to wear tights. We are also offering children the chance to wear plain black or navy footless long leggings under skirts or pinafores to help them keep warm. We know some children find getting tights 'up and down' tricky and this may help them, especially for toileting purposes this winter.

Lunches

After half term we will move to hot lunches. These will be served to children in their bubbles either in the school hall or in class rooms in safe lidded boxes that retain heat. A revised menu that enables ease of serving up a lot of lunches will be available soon. Please go to <https://www.parentpay.com/> to order lunches for your child. Children may still have a packed lunch if you prefer.

Learning links Please remember if you have to self-isolate as a family due to a Test and Trace there are learning links on our website for your child to access their learning so they can continue to learn whilst they are unable to attend school.

Helpful information from the Police

Attached is a leaflet from Bedfordshire Police about the Pegasus scheme. Pegasus is a scheme for people who may have difficulty in communicating their details when making contact with the emergency services. Please take a look if you think this may be of use to your family.

Expecting a baby or have a new born?

It is lovely to hear a number of school Mums are expecting babies. We have attached the latest timetable for the local Children's Centre so you can see what's on offer.

Yours,

Jane Spencer,
Head teacher
