*Lighting a spark in every child"*

2<sup>nd</sup> November 2020

Dear Parents/Carers,

We are really looking forward to welcoming the children back tomorrow and we hope you have had a good half term break.

### **Covid Arrangement**

Whilst we are very aware that lockdown begins on Thursday there are currently very limited changes required for schools, and so the current measures we have in place will continue as we aim to keep the children as safe as possible. We would just request that Parent/Carers wear a mask at the gate now when you are dropping off and picking up your children and that all reading books are wiped before they are returned in the plastic bags provided. Thank you for your help.

### **Year 3 Swimming**

Following the Prime Ministers announcement at the weekend Flitwick Leisure Centre cannot provide the Year 3 swimming lessons during lockdown, but they will be able to move these to the Spring term, and more details will be sent out when dates are finalised.

### **Parent Meetings**

The announcement also means that from Thursday any Parent/Carer meetings will now need to be held on the phone or via Zoom. If you have a meeting booked in with a member of staff after that date, we will be in touch to confirm how this will be conducted. The November Parent Consultations will be done via the phone call system that worked well earlier this term and more details on these will follow.

### **Learning Links**

The learning links continue to be on the website for all year groups (in case your child does need to self-isolate at any point). We are currently looking at ways we can improve our learning links and will send more information about this later in the week.

As usual we will keep you updated on any further changes as and when we receive further guidance from the DfE.

Looking forward to seeing the children and hearing their news tomorrow!

Jane Spencer  
Headteacher
