

In school we will collate a book sharing all our favourite bedtime stories. It would be lovely if you could email in a photo of your child reading, along with the name of the book you shared and a comment about their favourite part.

### Remember, Remember!

**Reading Books** will continue to be changed on your child's allocated days. Don't forget to sign or comment!

**Home Tasks:** These will continue to come home each week for you to help your child to reinforce their learning.

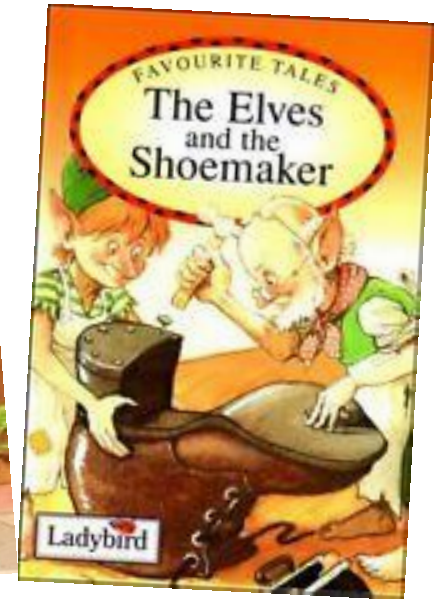

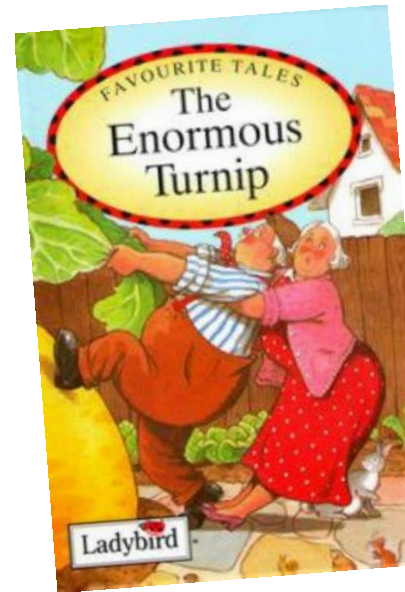

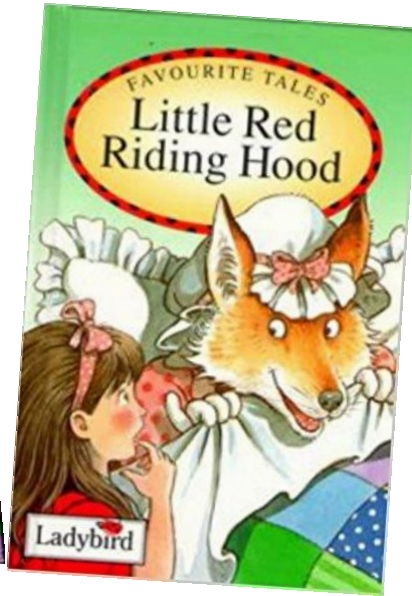

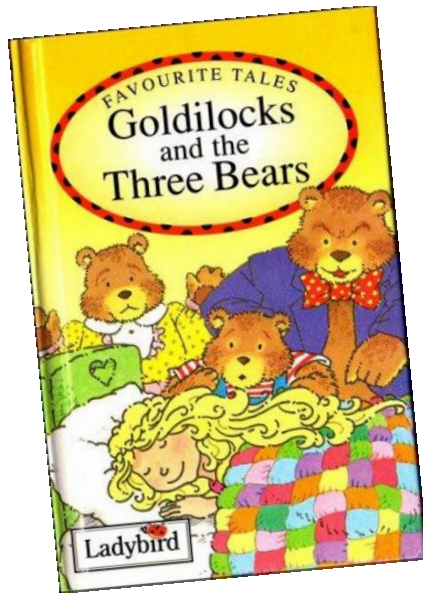

We enjoy celebrating any achievements your child had at home. So keep the **WOWs** coming in!

Thank You for your continued support!

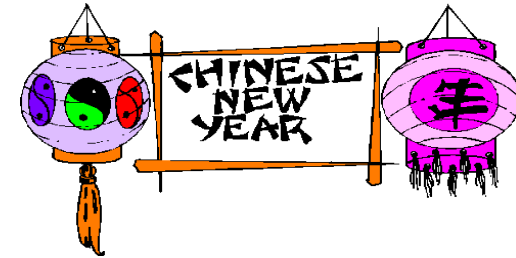

# *Reception Spring Term 1*

We will be reading and exploring these stories to support all our areas of learning.

WINTER

We will explore the seasonal changes and the signs of winter around us.

We will explore the story behind the Chinese New Year and the traditions involved in celebrating the festival.
