

## At home

We will think about all the people in our houses, how they help us and the jobs that they do.

## At nursery

We will think about all the people that help us in nursery and the jobs that they do.

## Nurses and doctors

We will find out what nurses and doctors wear and what equipment they use. We will think about different places that they work such as clinics, surgeries and hospitals.

## Fire Officers

We will find out how fire officers can help us and look at some of the equipment and vehicles that they use

## Police Officers

We will find out about police officers and look at some of their equipment and vehicles and think about how they help us.

## Easter

We will celebrate new life at Easter with egg-related stories, cooking and art & craft.

We will continue to learn about:

- numbers
- shapes and sizes
- letters and letter sounds
- how to write our names
- getting changed for PE
- using the computer
- and many more things

# People who help us and Easter
