National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census.

Some of this information is then stored in the [National Pupil Database \(NPD\)](#), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with third parties, such as other organisations which promote children's education or wellbeing in England. These third parties must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.

7.1 Transferring data internationally

Where we transfer your child's personal data to a third-party country or territory, we will do so in accordance with UK data protection law.

In cases where we have to set up safeguarding arrangements to complete this transfer, you can get a copy of these arrangements by contacting us.

8. Your rights

8.1 How to access personal information that we hold about your child

You have a right to make a 'subject access request' to gain access to personal information that we hold about your child.

If you make a subject access request, and if we do hold information about your child, we will (subject to any exemptions that apply):

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

You may also have the right for your child's personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact us (see 'Contact us' below).

8.2 Your right to access your child's educational record

Although for Academies there is no automatic parental right of access to your child's educational record, we have decided to offer the same process to parents as those who attend a maintained school. Therefore, parents, or those with parental responsibility can have access to their child's educational record (which includes most information about a pupil) within 15 school days of receipt of a written request.

If the request is for a copy of the educational record, the school may charge a fee to cover the cost of supplying it.

This right applies as long as the pupil concerned is aged under 18.

There are certain circumstances in which this right can be denied, such as if releasing the information might cause serious harm to the physical or mental health of the pupil or another individual, or if it would mean releasing exam marks before they are officially announced.

To make a request, please contact the School Office Manager
