Dear Parents/Carers,

Consultation on new School Logo

Following our consultation with families, governors and staff, for a new school logo, we are really excited to report that Option 1 was voted for with 68.6% of the votes! We hope you are as pleased as we are, with our new, fresh look.

The children were very excited in Collective Worship to see their design ideas brought to life. Staff have commented that they feel our new logo represents our vision for education - that God makes each one of us unique in many special ways, with special talents that we call our sparks. Here at St. George's it is our mission to light those sparks and let your light shine.

Warmer weather

We have enjoyed the warmer weather this week, especially packed lunches who have been able to enjoy a picnic lunch with friends outside. Please can we ask that all children come into school with a sun hat, water bottle and having already applied an all day sunscreen. This will enable us to make full use of outdoor learning opportunities throughout the day, which we know the children thoroughly enjoy. We also know that being outside helps to reduce the transmission of Covid-19.
