Headteacher: Mrs. C. Lamb

Dear Parents and Carers,

### **Enrichment Transition Week**

Thank you for the positive feedback we have received on our approach to transition following yesterday's letter. The children were very excited to hear more about our plans for their Enrichment Transition Week in today's Collective Worship and class discussions. We are very excited too!

### **Website**

My sincerest thanks go to Don, a Reception and Year 2 parent, for volunteering his time to capture our brilliant school in action, and editing and processing wonderful photos that you can now see on our school website.

We are working to ensure our website is user friendly and accessible. From time to time, you may need to delete your cookies, to reload the most up to date version of the site. We hope you find this improvement helpful and my huge thanks also goes to Mrs. Barnish, for her time and work on this with me.

### **Fundraising**

I would like to offer further thanks to Mrs. Tillin, the PTA and staff, who have volunteered their time and efforts in raising a staggering £8500 to contribute towards our environment project. We hope that the children have enjoyed the events on offer and would also like to thank you, our generous community for your donations. Furniture orders are well under way and we can't wait to see some classrooms enjoy fresh, new furniture in September.

### **Covid**

Following the Prime Minister's announcement that the country will not be moving to Step 4 of the Roadmap as planned, we will need to continue operating with all our existing Covid measures in place. I know you and the children will be as disappointed by this as we were. Thank you for continuing to be vigilant with all our safety measures. It is keeping the vast majority of us in school at this difficult time and we really appreciate that.
