25th June 2021

Dear Parents/Carers,

Sports Day

Wow! What a fabulous week of sport all the children have enjoyed! Nursery and Reception did an amazing job and enjoyed their activities. Years One to Four were utterly fabulous, and were focussed and determined in applying their sportsmanship skills today.

We offer our huge congratulations to the **Blue Team** who won the 2021 cup!

There was only one thing missing, and that was our lovely parents, carers and grandparents! We really did miss you, and very much look forward to being able to enjoy sports day with you next year.

Transition

Thank you to the families who have got in touch to share their appreciation and excitement for our Enrichment Transition week. The children now know who their next teacher will be, and are very excited, as are the staff. Over the next three weeks there will be opportunities for the current teachers to meet the new teacher, to handover all the very important transition information, such as assessment, SEND, dietary, health and personal details, before moving up on the 19th July. Thank you for your ongoing support!

Local Authority School Improvement Review

In the Spring term, I wrote to parents and carers to share that I was completing evaluation and improvement work in school. As a result, I have identified development priorities and have invited our Local Authority School Improvement Partner into school to complete a whole school review on Thursday 1st July. She will be joined by another improvement partner, and as part of the evaluations they will be completing, would welcome the opinions and viewpoints from our parents and carers. Please can I kindly ask you to take five minutes to complete the questionnaire, by clicking this [google form](#).
