Friday 16th July 2021

Dear Parents and Carers,

COVID-19 Updates

I would like to express my sincerest thanks to all the children and parents of Year 4, who were overwhelmingly supportive in their response to yesterday's Year 4 bubble closure. We are absolutely saddened, not be able to say a proper goodbye to our gorgeous Year 4 leavers, and will be in touch with families separately to share our plans for their remote farewell.

Thank you again, for your continued kindness and support in understanding the unprecedented conditions we are working through.

Transition plans

We are very much looking forward to moving up, and beginning our enrichment transition curriculum next Monday.

The curriculum for our Enrichment Transition Week has been specifically designed to ensure that children explore strategies that we can use to support us enjoy and cope with change and transition. The September 2021 projects will be launched to give children a taster of what is to come, to support them in being excited for their return.

On Monday morning, please arrive at the new class drop off location, this is also where your child will be collected at the end of the day.

On Thursday afternoon, the children will enjoy an ice-lolly on the field with their previous teacher, however please note that they will still be collected from their new classroom collection point.
