

2<sup>nd</sup> December 2021

Dear Stakeholder,

## **Consultation on the Admissions Arrangements for 2023/24**

In accordance with the statutory requirements set out in the School Admissions Code, we are required to undertake a six-week consultation on proposed changes to our admission arrangements.

I have outlined the proposed changes for your information:

- Admission criteria 2 has been changed so that the nursery priority relates to children who live in the catchment only.
- Admission criteria 3 has been added so that children living in the catchment area with siblings at the school at the time of entry have priority over other children living in the catchment area.

The full proposed admissions policy is attached and can also be viewed on our website by visiting <https://www.toddingtonstgeorge.co.uk/admissions/>. The consultation will remain open until 5pm on Friday 14<sup>th</sup> January. Should you wish to comment on the changes please email [office@toddstg.co.uk](mailto:office@toddstg.co.uk) before the end of the consultation period.

Following the consultation period, the governing board will consider any comments received and decide on how to proceed. Admissions arrangements for September 2023 will be determined by 28<sup>th</sup> February 2022 and be published on our website. Any objections after the policy has been formally published should be made to the office of the Schools Adjudicator.

Yours sincerely

Claire Barnish  
Office Manager/Admissions Lead
